All of us?

Current Systems at Place

Things to communicate to PIs

- ❖ Are there common challenges many of us face that could be addressed organizationally?
- ❖ Anything else?

Communicating with Each Other

- ❖ Slack? Discord? b2chat? chat.belle2.org? carrier pidgin?
- ❖ Do we want regular virtual meetings (monthly/etc)?
- ❖ Practice talks, general advice, just hanging out? organize journal clubs (Belle II papers/notes, or otherwise)

Last few thoughts

- ❖ Lab to service CUORE and a condensed matter lab could be available if enough people are interested (but not too many)
- ❖ After party?
 - ❖ Thanks to Duke group, maybe potential airbnb/location exists
 - ❖ Eastern Divide for food/beers -> firepit at airbnb
