First, thank **you all** for an amazing week of physics, discussions, and learning!

Many thanks to **Sally** and **Gianluca** for developing the wonderful program!

Many thanks to our **sponsors**, without you this event would not have happened!

TYL, KM Institute, US-Japan Science Technology Cooperation Program in HEP

Many thanks for the **amazing local support**: Maki Ohishi-san, Motoi Endo-san, Shoji Hashimoto-san

Belle II

Time to announce the poster prizes!

Thank you all for your great
engagement and the enthusiasm
we all saw on display!

I will start with the
last place ...

Last place:

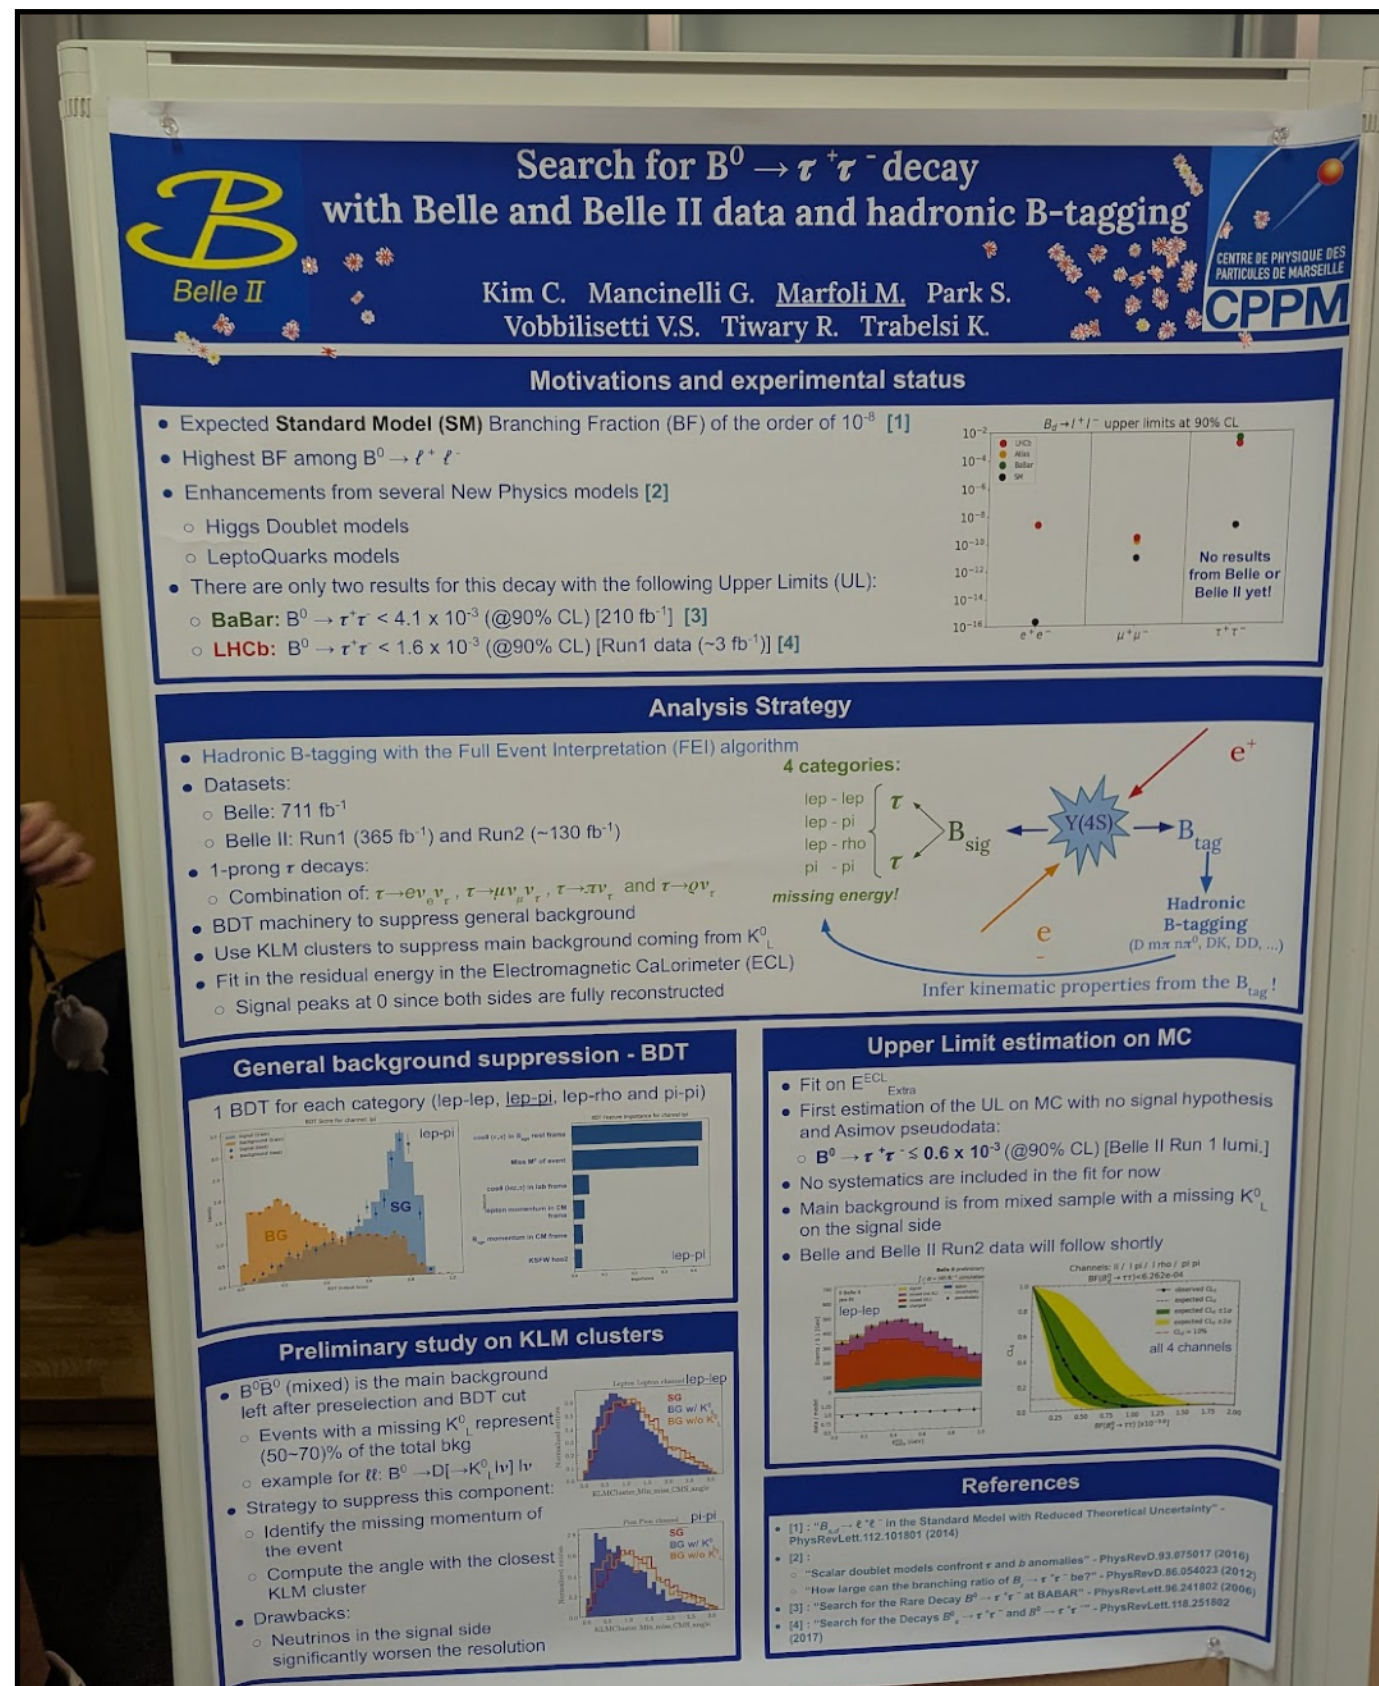

1 star

**Empty cans/bottles
before throwing them
away**

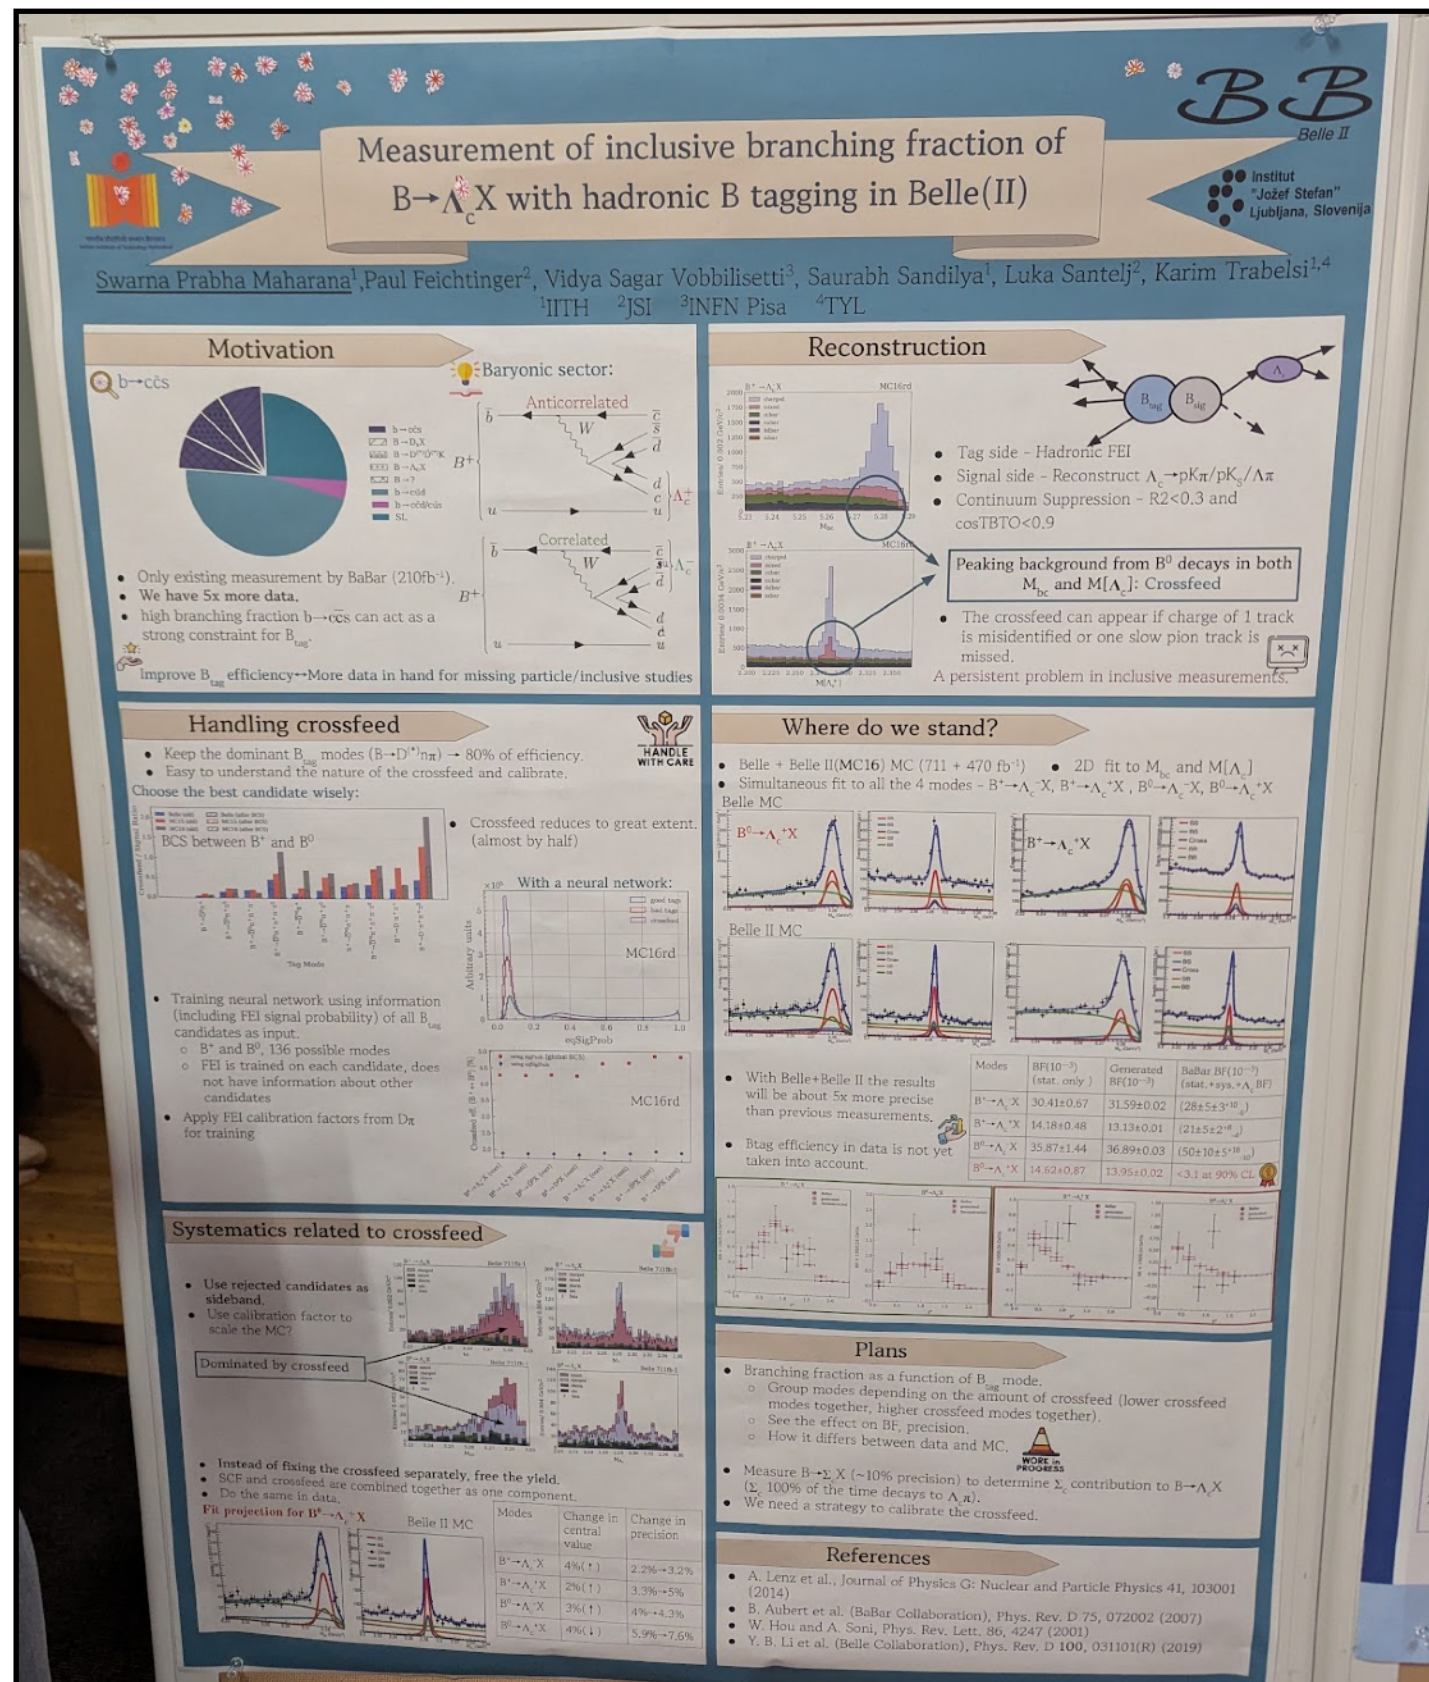

1st Place

Marfoli

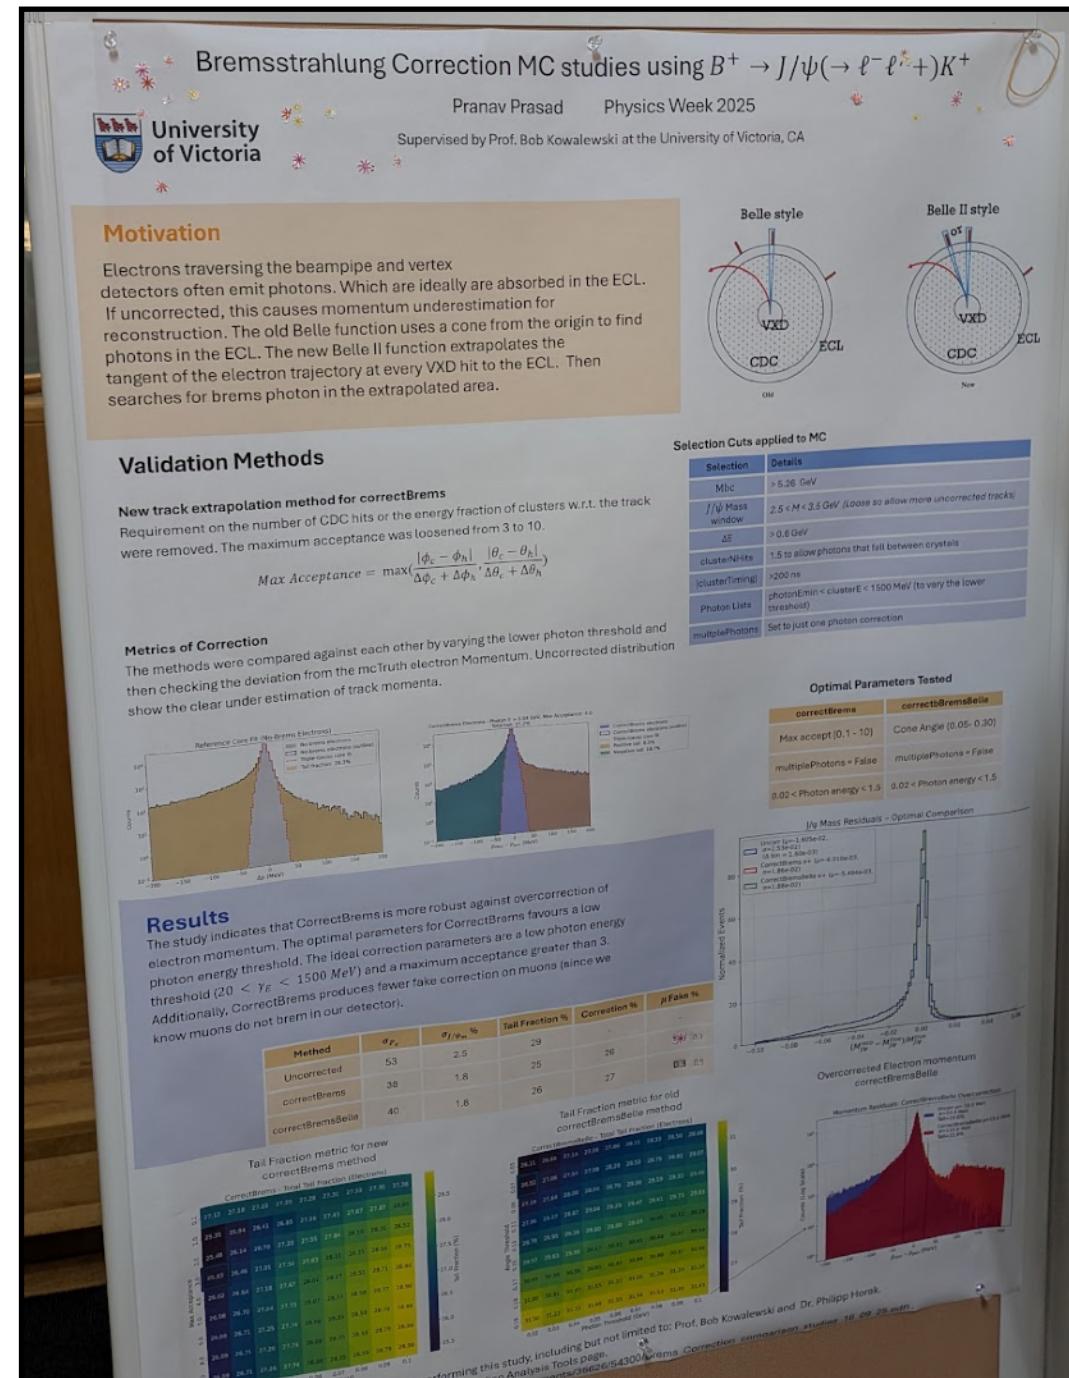

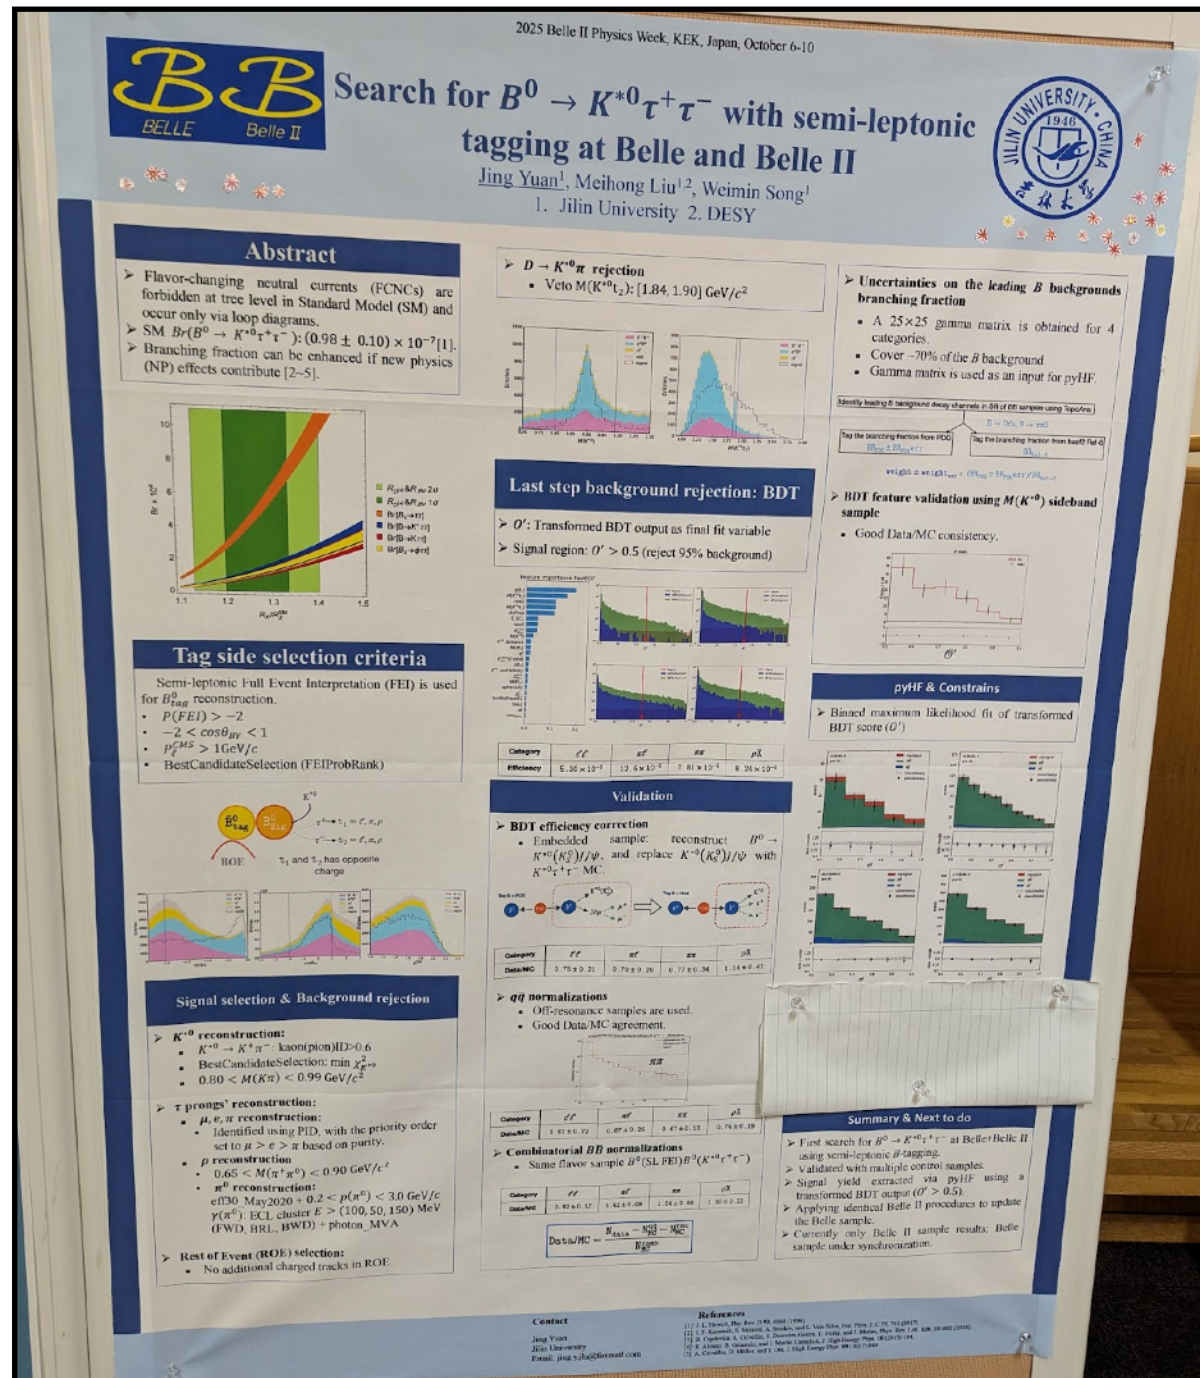

2nd Place

Swarna

3rd Place

Jing & Pranav

BELLE II PHYSICS WEEK 2025

Rare decays of beauty and charm
hadrons with missing energy

October 6–10, 2025
KEK

Conference & School

Confirmed speakers :

Wolfgang Altmannshofer

Danny van Dyk

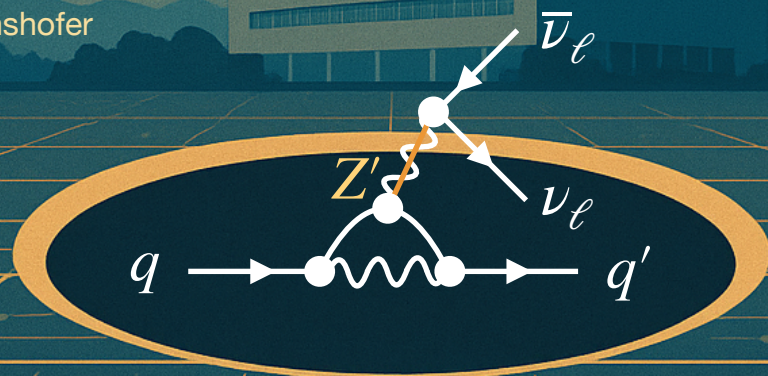

Claudia Cornella

Hector Gisbert

Jack Jenkins

Olcyr Sumensari

Michael Schmidt
