Bus tickets: I can get more - please let me know if you need any

Important information (for those connecting remotely)

The zoom component of the workshop does not include the one-on-one sessions

The zoom component thus covers the period 1pm – 6pm US CT each day (a bit later start on Wednesday)
that's 3am – 8am at KEK
and 11:30pm – 4:30am in India

The zoom sessions will be recorded

Overall outline of the workshop:

- Session on Detectors & Performance – Monday & Tuesday
- Session on Belle II Physics – Tuesday & Wednesday

- Hands-on session on basf2 – Monday afternoon
- Hands-on session gbasf2 – Tuesday afternoon
- Tutorial on Statistics & Systematics

- Session on Diversity, Equity, & Inclusion – Wednesday afternoon
- Theory talk (D. Atwood) – Thursday afternoon
- SuperKEKB talk – Thursday afternoon

- Career Development bootcamps for postdocs & students
- ~ 13 postdoc/student talks & student flash talks (last day)

- Plenty of one-on-one time (mornings) with experts available

Wednesday morning excursion & lunch at the Des Moines Art Center

We will leave from Ames at 9am (3 mini-vans)

More details tomorrow ...

We will have an early lunch (10am) and the tours

We should return by 1pm but if we are running late the afternoon schedule could be shifted

Workshop Dinner at Reiman Gardens (Thursday)

It's about a 30 minute walk from Physics Hall
If it's hot, maybe best to carpool

We are in Hunziker House – no charge to enter RG

hors d'oeuvres start at 6pm

Cash bar (they take cards) opens at 6pm
and closes at 8pm (last call at 7:45pm)

Dinner (buffet) starts at 6:45pm

We should leave by ~9pm
