

Watercolour Workshop

Tuesday, 26 September 2023 16:30 (2h 30m)

Join our Watercolor Workshop for beginners! You'll create three scenes: a mountain landscape, a sunset galaxy mountain view, and an ocean view from above. I'll guide you step by step, but there's plenty of room for your own creativity. No prior skills needed, we'll start with the basics and build up from there (and don't worry, in watercolor, the paint has a mind of its own, so perfection isn't the goal!).

All materials are included in the registration fee, and there's enough paper to retry. Don't miss the chance to explore watercolor painting!

Presenter: REUTER, Lea (Karlsruhe Institute of Technology (KIT))

Session Classification: Social
