

Demonstration of Common Interview Questions

I will play the interviewer, Tom will give answers, and we will ask you all for better answers

Tell me about your research.

Your experiment has 1000 members and 1000 co-authors on every paper. What is your individual contribution ?

How do you plan to get funding for your research program?

What University resources do you need to carry out that program?

What is the long term prospects for the research you are doing?

What will your research group look like? How does that fit in with the existing group here?

What is your favorite teaching experience?

Tell me about your leadership activities.

What do you do to relax/de-stress?
